Had a great team this year. We certainly wish that the little 10 meter spurt on Sunday afternoon would have reached a little further North.

Congratulations to the W/K #3 "L" teams for their great scores. We especially applaud the K1TTT group that appears to have edged us even after suffering that severe ice damage just a few short weeks ago. We also thank K1XM for giving us those low band targets on livescores. We can't wait for 15 to return!
