Total Score 520,970

Club: North Coast Contesters

Comments: 2012-08-05 06:26:48

Pretty good high band conditions and good thing we kept at least one of the low band RX antennas up for this one with all the QRN and 80 and 160. It would have been nice for the score if we could have had a bit more of 10 meters though. Great job by the 3 vets and W2FU rookie, NW2K, who did well in his first event here.
