Club: North Coast Contesters

Comments: 2014-08-02 23:23:12

Once we got going, didn't think that we would beat our 2012 mark, but things started perking up after a while. Lots of Q, 15 mults down, but we beat it by 23K.

Newbie W2GN joined the team, N2ZN only stayed two hours because of another commitment. W2FU actually operated 5 hours in this one.
